Program Highlights:

Become a detective! The time has come to join the Foothills crew as we become Cub Scout Investigators! Your adventure

will include BB guns, archery, science, sports, nature, crafts, 2 liter bottle rockets and scouting skills. Webelos will become super sleuths and soar into an adventure of cub to scout transition, activity badges, hands on scout skills, as well as BB guns, and archery.

Leadership and Staff NEEDED:

Anyone who is ready and willing to be a staff member, your help is needed! What better way to have some summer fun with your scout! Training will be provided for volunteers. Boy Scouts can volunteer and earn service hours. There are many different ways to serve. If you are interested in volunteering your time and talent contact **Ed Timblin at 864-979-6278 or timblinscout@gmail.com**

Orientation will be conducted on Saturday, June 11th, at 2:00pm at the Fairview Baptist Church ballfields. Orientation can not be missed as you will be provided the camp schedule, important information, an introduction to the camp staff and pick up your camp T-shirt. HEALTH FORMS (A and B) must be completed and returned to the camp director on the day of orientation. Health forms can be downloaded from the Blue Ridge Council's website or contact Ed Timblin at 864-979-6278 or timblinscout@gmail.com. This will make the registration process much quicker. Health forms must be on file prior to your scout attending camp.

What to Bring:

Scouts should bring their own lunches, drinks, and a snack every day in paper or plastic bags with their names and den number written on the outside. Lunches WILL NOT be refrigerated, so please plan accordingly. Water bottles with scout names are MANDATORY! Scouts are required to wear their camp T-shirt and closed toe shoes daily. No open toed shoes, crocs, or sandals may be worn. Scouts must wear their camp T-shirt every day as this is part of their uniform and part of our security. Please apply sunscreen and bug spray prior to your child's arrival at camp.

What NOT to Bring:

Please do not allow your scout to bring electronic devices, such as iPods or hand held video games. If these items are brought to the Camp, they will be collected from the scout and returned to the parent at the end of the day. Do not allow your scout to bring any knives, guns or other items that can be used as a weapon. These items will be collected and returned to the parent at the end of the day. The only exception to the rule of knives will be made for the Bears, since they will be working on their Whittling Chip. No Camp personnel will be responsible for any lost or stolen items.
