Troop 314 Meeting Notes

- First meeting of Month is time for Committee Chair Parents Meeting.
- The Second Tuesday is usual time for Scoutmaster Conferences.
- The Third Tuesday meeting includes Board of Reviews for Rank Advancement when not a COH.
- Fourth Tuesday could be for Patrol meetings if you are able to get the Scoutmaster to come early or close late.
- ** No meetings are usually held on 5th Tuesday. These are saved for Fundraisers, or special meetings at interesting locations.

Court of Honor is held 4 times a year, every 3 months – usually the last Scout meeting of month (except December). In **March** and **September** COH Scouts are honored for their rank advancements with a candle lighting ceremony and parents are given pins.

In **June** and **December**, our COH does not have candles and rank advancement pins for parents, but we add a potluck dinner in June – (Optional potluck in Dec.).

Scout Trail Cooking:

Care of:
<http://www.backpackingchef.com/>

I fix hot lunches on longer trips because I already have the stove and pot in the pack. Might as well make full use of them. My hot lunches are the same dehydrated meals that I cook for dinners and they meet my requirement of being light-weight, compact, and well-preserved. And, of course, delicious!

Meals with rice as a base ingredient are my first choice for lunch. When I eat a hot lunch such as BBQ Bean Bark Stew with rice, beef, vegetables and bean bark, I get a noticeable power surge and feeling of well-being about 30 minutes after getting back on the trail.

Bean Bark Stew

Ingredients:

½ cup Bean Bark
½ cup Instant Brown Rice
¼ cup Dehydrated Mixed Vegetables (carrots, corn, peas, and green beans)
¼ cup dehydrated Ground Beef
1 cup water

At Home:

For more information about drying ground beef and vegetables, see [dehydrating meat](#) and [dehydrating vegetables](#).

Pack all dry ingredients in a 4 x 6 plastic bag.

On the Trail:

Combine all ingredients with water in pot, cover, and light stove.

Bring to a boil and cook for an additional minute or two. Total cook time using my homemade alcohol backpacking stove is seven to eight minutes.

<https://www.backpackingchef.com/backpacking-stoves.html>

Remove from stove and transfer pot to insulating cozy for another five or ten minutes.

Stir briskly before eating and the bark will dissolve into tasty gravy.
